

Dear Valued Customer:

In our enduring effort to improve the quality of service, Invensys Process Systems is pleased to announce the appointment of:

**WEISS INSTRUMENT, LLC**  
*Authorized Service Provider*

for Measurement and Instrument products in the following newly assigned territory:

The states of **KENTUCKY** counties of Greenup, Carter, Elliott, Lawrence, and Boyd; **OHIO** counties of Columbiana, Jefferson, Belmont; **PENNSYLVANIA** west of and including the counties of McKean, Cameron, Clearfield, Centre, Huntingdon, and Fulton; **WEST VIRGINIA** excluding the counties of Grant, Hardy, Mineral, Hampshire, Morgan, Berkeley, and Jefferson.

The experienced, professional staff at **WEISS INSTRUMENT, LLC** is ready to serve your Process Control and Instrumentation needs. **WEISS** has been an authorized Invensys M&I Industrial Manufacturers Representative since 2007 and a Small Systems Mfg Rep since 1999.

**WEISS INSTRUMENT, LLC** is an excellent complementary addition to our existing network of World Class Service Providers.

If you have any questions about our products, services, or relationship, please do not hesitate to contact us.

Very truly yours,

FOXBORO

**Avantis**
